PLACE YOUR HEEL AT THE BORDER OF THE LINE

INSTRUCTIONS:

1. Print both letter size pages of this document at full size (100%)
2. To verify the correct size of your printouts, place a credit card inside the area marked on the bottom right of this page
3. Fold Page 1 along the dashed line and attach it to page 2, so that the foot pattern matches well.
4. Place your foot on the drawing and wear the type of socks that you'll likely be wearing with your new boots, as the thickness of the socks may affect your measurements. Your size will be the number indicated on the length line after the line your toes are touching.

*Place credit card here
for printout scale confirmation*

* NOTE: Before printing this document, verify that the full-size printing option is selected in the printing option box.
